

ROSSONERI SCANDINAVIA

Welcome to Rossoneri Scandinavia – Milan Club in Norway.

Rossoneri Scandinavia was founded to bring together AC Milan supporters across Norway and Scandinavia through shared experiences, match viewings, social events, and activities throughout the year.

We already meet every week to watch Milan matches together and are actively building a growing community of passionate Rossoneri supporters through events, gatherings, and future projects.

Our ambition is to create the leading AC Milan supporters' community in Norway — a place where fans can build friendships, share unforgettable experiences, and celebrate their passion for the Rossoneri together.

As a member, you become part of the Rossoneri family and help shape the future of Milan support in the North.

WHAT WE ALREADY DO TODAY

Rossoneri Scandinavia is not just a project for the future – it is already an active community.

Watching Matches Together

Every week we gather to watch AC Milan matches and share the emotions, victories, and disappointments that only the Rossoneri colors can bring.

Partner Venues

We already collaborate with local venues that support our initiative and regularly host our events, providing a meeting place for AC Milan supporters in Norway.

Officially Registered Association

Rossoneri Scandinavia is already an officially registered association in Norway, with its own organization number and a transparent, non-profit structure.

A Growing Community

Every week new supporters join our network. Our goal is to become the reference point for AC Milan fans in Norway and, in the future, throughout Scandinavia.

More Than Just Football

We believe that supporting AC Milan is also about building friendships, sharing experiences, and creating a community that goes beyond the ninety minutes of a match.

OUR VISION FOR THE FUTURE

Rossoneri Scandinavia was created with a long-term vision: to build the leading AC Milan community in Norway.

We believe that supporting Milan should be more than watching matches alone. Our goal is to create unforgettable experiences, meaningful friendships, and a strong Rossoneri network across the North.

Trips to Milan and San Siro

One of our main goals is to organize official member trips to Milan, including visits to Casa Milan, San Siro, and the opportunity to experience AC Milan matches together.

Community Events

We plan to organize football tournaments, supporter gatherings, summer events, barbecues, and social activities throughout the year.

Building a Scandinavian Network

Our ambition is to connect AC Milan supporters not only in Norway, but eventually across Scandinavia, creating a strong and united Rossoneri community.

Future Member Opportunities

As the club grows, we will continue working to create new opportunities, partnerships, events, and exclusive experiences for our members.

Building Something Together

Rossoneri Scandinavia is still at the beginning of its journey. By joining today, you become part of the first generation of members and help shape the future of the club.
